Schedule A

The Temple Police Department does have an agreement with the state of Pennsylvania. As a living man who is a citizen of heaven and resides inside of the pennsylvania territory of the republic. They do not have lawful jurisdiction over us

21st of May 2022 We were pulled over by a police officer who refused to give his name and badge number. Then he sent us a ticket in the mail. Temple Police then pulled up to 11th and Norris where the car we were driving was parked and they then blocked the car in refusing to let us leave at our own free will, because we refused to identify ourselves during the traffic stop. Also, that officer was not wearing a body camera device during the incident. Happened outside of their jurisdiction and was restricting our right to travel while unlawfully detaining us. Captured on our phone video

3rd of Feb.2021 We were harassed by car 176 rides down the street and yell "fuck you mother fucker" to us for no reason. As recorded on video

4th of December 2022 Temple Police pulled up outside of our house at 20:53 and just sat there watching the house for a long period of time harassing us as captured on video.

22nd of May of 2023 Car 182 Officer Garrett began following us and harassing us. He refused to give his name or badge number. Then he pulled into the parking lot of our development to harass us some more by following us around Getting out of his car threatening us. This occurred at approximately 18:42 as recorded on video. We called 911 and had the Philadelphia Police file a complaint against Garrett.

30th of May 2023 we went to file a complaint against Officer Garrett

24th of Oct.2023 I went into Temple Police headquarters to file a complaint against Garrett for saying inappropriate things to me while walking my children to school in the morning. During that conversation the Sgt. became aggressive

30th of March 2024 We were driving down the street and a Temple Police officer was driving slow around 10 MPH. We attempted to go around him as we had to use the restroom. We beeped our horn at him and he attempted to pull us over. We refused to stop and he sent a ticket in the mail to the owner of the car. We went down the street to make a complaint and was threatened by the Sgt. to be placed in a mental hospital as a 302. The officer was restricting our travel unlawfully, and began to harass us for exercising our free right to travel. Then, he attempted to unlawfully detain us .

On May 30th 2024 We stopped by Temple university Police offices to speak to someone in regards to the officers names, badge numbers, and bond numbers as there had been a series of incidents that had occurred. During the encounter the detective became aggressive and refused

to give us the information that we requested. The detective then refused to identify himself and we do have a video recording of that as well

On 29th of February 2020 our vehicle was pulled over by Temple police officer #2350. When we showed up to the scene Officer 2350 refused to give his name or any other Identifying markers. Temple car was black with dark tints and an unmarked Officer 2350 began to threaten us with physical harm and challenged us to a fist fight. At this time we were a corrections officer for the state of Pennsylvania and in uniform. This happened at the 2200 block of N 11th St. During this incident the officer had our car impounded. When we went to court the ticket was thrown out as Temple didn't have the authorization to pull our vehicle over and was outside of their jurisdiction. We requested a supervisor and they refused to call the supervisor. There was a female officer who also refused to identify herself. They then harassed us and unlawfully took our car.

On May, 30th, 2011 We were pulled over by officer #2246, now while the courts stance on this is that its past the time to ask for civil judgment. We would like the courts to factor in that because of the incident that happened on May 30th 2011. While we were driving down the street when officer #2246 a Lt. for Temple University Police pulled us over in the parking lot of AutoZone at Broad and York for my plate not being "properly displayed". During that time the officer held a gun to my head and threatened to blow my head off (which is a trauma that we still carry with me today). It should also be understood to the courts that the officer listed above was in her personal vehicle and not a marked police car during this traffic stop. In fact it was a cream colored Lincoln with the extra tire in the trunk (also known as a bubble) After that in Sept. of 2022 that same officer threatened to arrest us while we were at work as a Paramedic dropping a patient on a ventilator off at Temple University Hospital, because we didn't want to speak to her.

We do have several videos to back my claim and support

Claims: Harassment, restricting my freedom of travel, emotional distress, (We can't even walk my children to school without being harassed), feeling unsafe, mental health damages, unlawful detainment, we were forced to quit our job at SCI PHX because we needed a car or motor vehicle to access the ground of the prison for work, we quit working as a Paramedic as we're tired of being harassed by these police officers and we haven't done anything incorrect.

Assessment of fees:

Harassment from Temple University Police \$20,000.00 twenty thousand dollars x 11 (each offense)

Emotional distress: \$75,000.00 seventy five thousand dollars x5 (each offense)

Unlawful detainment: \$15,000.00 fifteen thousand dollars x 2 (each offense)

Restricting my right to travel: \$25,000.00 x 6 twenty five thousand dollars (each offense)

Accessing my security via drivers license: \$100,000.00 one hundred thousand dollars x2 (each offense)

Refusal to identify: \$20,000.00 x4 twenty thousand dollars (each offense)

Legal fees: \$250/hr x 8

Relief: We're requiring the courts to provide me with \$907,000.00 nine hundred and seven thousand dollars and zero cents. Also an order refraining any police department or agency from restricting our right to travel. If there is any question as to who "we" or "our" is. Please refer to Romans 8:15-17

My Agent shall provide an accounting for all funds handled and all acts performed as my Agent as required under state law or upon my request or the request of any authorized personal representative, fiduciary or court of record acting on my behalf.
